

§ 702.411 Special examinations; nature of impartiality of specialists.

(a) The special examinations required by § 702.408 shall be accomplished in a manner designed to preclude prejudgment by the impartial examiner. No physician previously connected with the case shall be present, nor may any other physician selected by the employer, carrier, or employee be present. The impartial examiner may be made aware, by any party or by the OWCP, of the opinions, reports, or conclusions of any prior examining physician with respect to the nature and extent of the impairment, its cause, or its effect upon the wage-earning capacity of the injured employee, if the district director determines that, for good cause, such opinions, reports, or conclusions shall be made available. Upon request, any party shall be given a copy of all materials made available to the impartial examiner.

(b) The impartiality of the specialists shall not be considered to have been compromised if the district director deems it advisable to, and does, apprise the specialist by memorandum of those undisputed facts pertaining to the nature of the employee's employment, of the nature of the injury, of the post-injury employment activity, if any, and of any other facts which are not disputed and are deemed pertinent to the type of injury and/or the type of examination being conducted.

(c) No physician selected to perform impartial examinations shall be, or shall have been for a period of 2 years prior to the examination, an employee of an insurance carrier or self-insured employer, or who has accepted or participated in any fee from an insurance carrier or self-insured employer, unless the parties in interest agree thereto.

§ 702.412 Special examinations; costs chargeable to employer or carrier.

(a) The Director or his designee ordering the special examination shall have the power, in the exercise of his discretion, to charge the cost of the examination or review to the employer, to the insurance carrier, or to the special fund established by section 44 of the Act, 33 U.S.C. 944.

(b) The Director or his designee may also order the employer or the insurance carrier to provide the employee with the services of an attendant, where the district director considers such services necessary, because the employee is totally blind, has lost the use of both hands, or both feet or is paralyzed and unable to walk, or because of other disability making the employee so helpless as to require constant attendance in the discretion of the district director. Fees payable for such services shall be in accord with the provisions of § 702.413.

§ 702.413 Fees for medical services; prevailing community charges.

All fees charged by medical care providers for persons covered by this Act shall be limited to such charges for the same or similar care (including supplies) as prevails in the community in which the medical care provider is located and shall not exceed the customary charges of the medical care provider for the same or similar services. Where a dispute arises concerning the amount of a medical bill, the Director shall determine the prevailing community rate using the OWCP Medical Fee Schedule (as described in 20 CFR 10.411) to the extent appropriate, and where not appropriate, may use other state or federal fee schedules. The opinion of the Director that a charge by a medical care provider disputed under the provisions of section 702.414 exceeds the charge which prevails in the community in which said medical care provider is located shall constitute sufficient evidence to warrant further proceedings pursuant to section 702.414 and to permit the Director to direct the claimant to select another medical provider for care to the claimant.
